

Welcome to the first e-zine about Energetica – the planned new energy community in Aberdeen City and Shire.

Editorial by Professor Stephen Logan, ACSEF board member and chairman of the Energetica board.

This ACSEF-led project is a significant part of the region's strategy to build on its energy credentials, diversify the economy and enhance our quality of life. As such a major project, stretching north from Bridge of Don to Peterhead. [more](#)

The aim of this newsletter is to provide up to date information on the project

Brand Energetica

Energetica is more than a place. It represents a way of thinking that is defined by the history of innovation and entrepreneurial spirit that made Aberdeen City and Shire a global leader in the Energy sector. [more](#)

Project Director Appointed

Sara Budge has just taken up the role of Project Director for Energetica. She will lead the development and implementation of the delivery plan. [more](#)

Delivery Plan Approved

In the delivery plan ACSEF reveals how Energetica will link a string of highly attractive and distinct business and residential developments within the corridor. [more](#)

New partnership to inject £10m in Aberdeen Science Parks

One of the first tangibles for Energetica was the announcement last year of a new partnership for Aberdeen's. [more](#)

Land deal paves way for Upperton Site

Last summer, Scottish Enterprise (SE) secured 30 acres of land in Peterhead to develop a key industrial park as part of... [more](#)
